

**HANOVER TOWNSHIP
PUBLIC HEARING
9 Starck Drive
Burgettstown, PA 15021**

Date: August 5, 2026

Time: 6:00 p.m..

Location: Hanover Township Volunteer Fire Department

The Township became aware of a potential concern regarding the adequacy of the original public notice for the conditional use hearing, specifically relating to the description of the subject property and proposed use. Out of an abundance of caution, the Township caused a new notice to be published containing a complete description of the property and proposed conditional uses and scheduled this hearing following publication.

As a result of questions being raised concerning the adequacy of the original notice, the Board of Supervisors is providing a full opportunity for the admission of exhibits, testimony, cross-examination, and public participation following proper notice, and the governing body's decision will be based upon the record as supplemented and established after such notice.

Attendance: Sign in sheet attached
